## *Choose Wise Guidelines and Report*

---

**Overview** The Wise Choose Game is an engaging multiplayer game that combines strategy, guessing, and a bit of luck. It is designed for up to four players, making it perfect for family gatherings or friendly get-togethers. The game challenges players to guess a number based on the average of all guesses, with unique scoring rules that keep the gameplay exciting.

### **How to Play**

#### **1. Setup:**

- Players enter their names to join the game. A maximum of four players can participate.
- Once all players have entered their names, the game transitions to the rules screen.

#### **2. Game Rounds:**

- The game consists of multiple rounds. In each round, players take turns guessing a number.
- The winning number is calculated as 80% of the average of all players' guesses.

#### **3. Scoring:**

- Players earn points based on how close their guess is to the winning number.
- The closest guess earns +1 point, while all other players lose -1 point.
- If multiple players guess the winning number, they all receive a penalty of -1 point.

#### **4. Elimination:**

- Players with scores of -5 or lower are eliminated from the game.
- The last player remaining wins the game.

### **Rules and Regulations**

- **Guessing:** Each player must guess a number during their turn. The input is hidden for suspense.
- **Winning Number Calculation:** The winning number is determined by taking 80% of the average of all guesses.
- **Scoring System:**
